

****MEDIA ALERT****

Dickinson Beautification Project with Duchesne Academy by Bay Area Habitat for Humanity

What:

Bay Area Habitat for Humanity Houston is hosting a Dickinson Beautification Project, where 115 staff members from Duchesne Academy will be spending their teacher in-service day volunteering! At 14 of our Habitat homes, volunteers will be completing exterior work: cleaning siding, washing windows, trimming tree branches, power washing driveways, and the like.

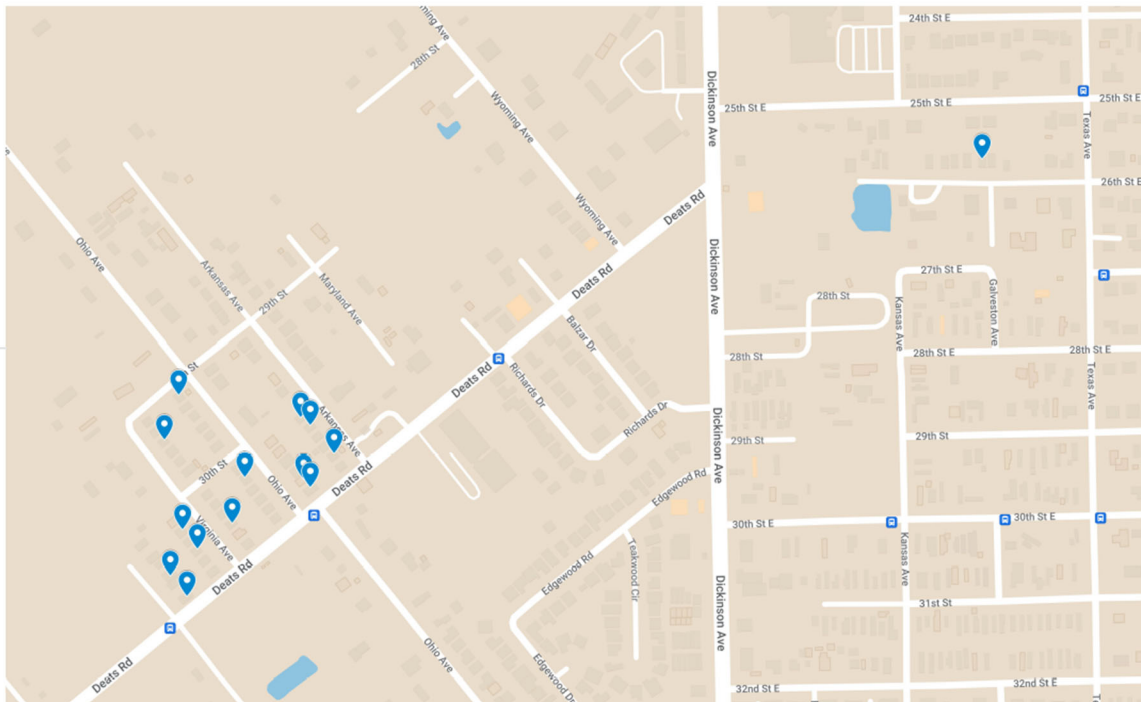

When:

Monday, January 2, 2023 beginning at 9:30 am CST

Where:

Headquarters: [200 Farm to Market 517 Rd W, Dickinson, TX 77539](#)

Work sites: Numerous Habitat homes surrounding [3011 Ohio Avenue, Dickinson, TX 77539](#)

About Bay Area Habitat for Humanity Houston

Bay Area Habitat for Humanity Houston was founded in 1991. In those three decades, we have built over 170 new homes, and we have repaired or renovated hundreds of others, giving members of our community a better place to live.

Bay Area Habitat strives to eliminate substandard housing and to make poverty housing a matter of conscience and action. It is with the support of our sponsors and volunteers that we can provide safe, stable, and affordable homeownership opportunities in Galveston, Northern Brazoria, and Southeast Harris counties.
